

TRANSPORTATION SERVICE TERMS AND CONDITIONS

Please retain this document for your records.

- Daily transportation to and from school will be provided (incurring transportation fees) to the School's children living within a reasonable distance from the school.
- Transportation Fee must be paid before the student can use the School transportation service.
- There is no refund of the transportation service fee after the fee has been paid.
- The School has its staff and/or teacher to accompany and supervise the children in the bus/taxi at all times.
- To help ensure on time arrival at school, buses/taxis will wait for TWO minutes after the assigned pick-up time before moving to the next pick-up point.
- The parent/legal guardian is responsible for the daily supervision arrangements when a child arrives at the designated drop-off point.
- If a child is below three years of age, a car seat should be installed for them by the parent/legal guardian every time before the Bus/taxi leaves the child's home. If allowed by the School, the car seat can be placed in the Bus permanently for the usage of the child. The car seat cannot be used by other child whose it doesn't belong to.
- The School and accompanying staff and/or teachers are released from liability whatsoever arising from the child's participation in School transportation.
