Morning Arrival in the Playground:

Upon arrival, please hand over your child directly to the teachers of the Nursery Class in the playground.
There are teachers in the playground to greet you and your child from 7.50, however you are encouraged to stay and settle your child until the School starts at 8.00.

Circle time:

Finger plays, songs, music and movements, book reading, etc.
Explanation of Ground Rules, Grace & Courtesy.

Montessori work cycle:

The term 'work' is standard Montessori usage and can be read as 'study' or activities. The Montessori curriculum uses a variety of materials.
Individual and group work are focused on cognitive, emotional, social and academic skill building. Frequent movements happen as the child moves from one place to another for their work.
Concentration, gross and fine motor skills are also important parts of the development and aimed to be acquired within this work cycle.

Supervision in Playground by Parents:

Your child can enjoy the playground before school time and after dismissal under your sole supervision.

Children dismissal:

Parents who pick up their child late might be charged for an afterschool activity. Such late pick-up will be charged at 300,000 VND for over 15 minutes late. The child will be waiting in the office if being picked up after dismissal time.
